GENERAL EDUCATIONAL DEVELOPMENT- GED

“The Tests of General Educational Development (GED) are designed to measure the major and lasting academic outcomes students normally acquired by completing a typical high school program of study. Each of the five tests uses a multiple-choice question format. In addition, every GED candidate must also satisfactorily complete a timed essay on an assigned topic to pass the GED Tests.” *ACE Net* The GED tests include Writing Skills, Social Studies, Science, Interpreting Literature and the Arts and Mathematics. The Education Center offers pretests, study materials, classes, and the GED in Spanish. Contact the Education Center at DSN 322-8380 for details.

Want more money for college? You can increase your MGIB by \$5,400.

For an additional \$600 contribution, you can increase your monthly MBIB benefits. You are eligible if you first entered active duty July 1, 1985 or later AND are on active duty. The contribution can be paid in cash in a one-time installment or can be taken out of your pay in smaller allotments. Contact the Education Center for more information at DSN 322-9600.

“Education is the ability to listen to almost anything without losing your temper or your self confidence.”
